

WLES Wiki Tour Voki Scripts

Voki script for Professional Development wikipage

(<http://wlnces.ncdpi.wikispaces.net/Professional+Development>):

Welcome to the Professional Development page for World Languages! All of the materials and activities from Summer Institutes, regional sessions, higher education institutes, webinars and curriculum workshops are posted here. Explore these resources by year and think about what you might like to use locally for training. Everything can be downloaded and adapted.

Voki script for Conference Presentations wikipage

(<http://wlnces.ncdpi.wikispaces.net/Conference+Presentations>):

Welcome to the Conference and Meeting Presentations page for World Languages! All of the materials shared at state, regional, national and international conferences and meetings are posted here. These resources are listed alphabetically by conference or meeting, and then chronologically by date. Everything can be downloaded and adapted for local use. Check back soon to see what gets added to this page!

Voki script for Building Capacity wikipage (<http://wlnces.ncdpi.wikispaces.net/Local+Capacity>):

Welcome to the Building Local Capacity page for World Languages! We are developing this space together so that we can share ideas across the state using these pages. All of the information posted here has been created or modified to fit local training and classroom needs. Explore these resources to see what's worked for other educators and consider how you could modify it to work for you and your colleagues. Check back soon to see what gets added!

Voki script for Materials & Resources wikipage

(<http://wlnces.ncdpi.wikispaces.net/Materials+%26+Resources>):

Welcome to the Materials and Resources page for World Languages! These resources are aligned to our standards or support their implementation in local curriculum. These resources are listed alphabetically by topic with links to various sites and materials. Check back soon to see what's new on this page!

Voki script for NCSCS & Instructional Tools wikipage

(<http://wlnces.ncdpi.wikispaces.net/NCSCS+%26+Instructional+Tools>):

Welcome to the North Carolina Standard Course of Study and Instructional Tools page for World Languages! Our standards document and all of our Instructional Toolkit components are linked here, including the Crosswalk, the five Unpacking documents, the eight Graphic Organizers, the Glossary of Terms, and the Assessment Examples. These resources are available as PDF documents and in their original format such as Word or PowerPoint. Please download what you need for local use.
